INTRODUCTION

This Pharmacy Programs Administrator Portal User Guide provides a step by step process for the Home Medicines Review (HMR) Program. It describes the following processes:

- HMR Program Registration

- HMR Service Claim.

For best performance, we recommend the most recent version of the following browsers; **Chrome, Firefox and Safari**. Whilst you can successfully submit your registration and make claims using other browsers, they may not have all the features required to provide you with the best user experience.

If you require further assistance with using the Pharmacy Programs Administrator Portal, please do not hesitate to contact the Pharmacy Programs Administrator Support Centre.
