

VCF Pharmacies with no Booking Links Survey

Dear Contact Person,

The National COVID Vaccine Taskforce (Taskforce) have been advised there are a number of pharmacies displayed in the Vaccine Clinic Finder (VCF) who do not yet have a COVID-19 Booking Link for AstraZeneca and/or Moderna vaccinations listed.

By clicking the link below, you will be able to affirm the correct Booking Software Provider for your pharmacy, or alternatively advise that you do not have one.

**Pharmacy specific links can be accessed through your original email*

The completion of this form will assist the Taskforce in ensuring Pharmacy Name's COVID-19 Vaccination Booking Link for AstraZeneca and/or Moderna bookings is correct and is accurately displayed in the VCF. Please complete this form by Thursday, 4 November 2021. Please note, this information will be forwarded to healthdirect who will update on the VCF. This process can sometimes take up to 10 days.

If you have any questions, please contact the PPA Support Centre at support@ppaonline.com.au or on 1800 951 285.

Kind regards,

Pharmacy Programs Administrator
