

**30 January 2023 - COVID-19 Taskforce Bulletin**

Dear Service Provider,

Please see the [link to a bulletin from the COVID-19 Taskforce \(Taskforce\)](#) containing information about a range of matters relevant to participating pharmacies in the COVID-19 Vaccination in Community Pharmacy (CVCP) Program, as follows:

- 1 February 2023 Changes
- AstraZeneca Supply
- CVAS Enhancements – Delivery Acceptance
- TGA Shelf-life extensions to mRNA vaccines
- CVAS contact details
- Timely and accurate reporting of vaccinations to the AIR
- Vaccine Comparison Poster

Kind regards,

Pharmacy Programs Administrator
